Dear Mr. ^{Dave}Mastovich:

I think we're officially coming upon one year in the partnership between Massolutions and Coldwell Banker Real Estate, and it's no cliché to say that time flies when you're having fun. What started out small in taping a couple of training classes has blossomed into some excellent creative theme development and DVD packaging that helped us carry through a consistent corporate message to our latest effort, the ribbon cutting ceremony for the Carlyle this past Monday. In my 11-year career at Coldwell Banker, I can honestly say this past March 26th was a banner day for our company, and you and your team certainly played a big part in that. The media coverage -- from KDKA radio in the morning to WPXI TV at night and the newspapers the next day -- surpassed our expectations. And, as I mentioned, seeing you and your team come back for the afternoon public ribbon cutting and pitch in beyond just making the physical arrangements for staging was reassuring, if not impressive.

I look forward to more successful ventures between our companies, as I believe the benefits are mutual and the relationships invaluable.

All the best,

A handwritten signature in cursive script that reads "John S. Wdowiak".
