Dear Dave,

Thank you for participating in JARI's June 19<sup>th</sup> Self Employment Assistance seminar program. The involvement of presenters with your knowledge and experience is crucial to the success of this important business development program.

The information you presented was well organized, educational, easily understood and very well received by the attendees. It was apparent, by the level of the attendee's participation, that you captured their attention. Thanks to you they are one step closer to turning their dream into a reality.

Please let me know if you have suggestions or ideas on how we can improve the seminar program. I can be reached at (814) 266-3844 or by email at [jedwards@jari.com](mailto:jedwards@jari.com).

Keep your seminar material close by because I will be calling on you to participate in another round of seminars later this year.

Once again, I appreciate the time and effort you put into making the June 19<sup>th</sup> seminar program so successful.

Regards,

  
James M. Edwards, Sr.
